How We Do It

It's never easy picking the meal for your event, but when you order with us, we take all the hassle and worry away by providing a great meal with a beautiful presentation, and don't forget affordable! We have Themed Menus, Single Entree Meals, Double Entree Meals, and Custom Menus for those special occasions! All our events are buffet style unless you want a different service.

Drop Off Service is a \$25 delivery fee, and we would bring your meal hot and ready to eat in aluminum pans with plastic serving utensils. We can provide the disposable dinnerware at cost for those items.

Single Entree Basic Menu Items are \$15.5 per person. It comes with 1 side, salad, bread, and a dessert option or a small assortment to meet your headcount.

Double Entree Basic Menu Items are \$17.5 per person. Everyone will be able to take both entrees. It comes with 2 sides, salad, bread, and a dessert option or a small assortment to meet your headcount.

Specialty Menus are also available such like our Fajitas, Taco Bars, Italian Menu, Italian Bar, and themed Menus to order. Pricing for those varies but start out super budget friendly!

Premium Menu Items (they have an * by them) are at additional cost. To pair them with a basic menu item you would add an additional \$5 per person. For example...Brisket is \$16.5pp and to add the Garlic Herbed Chicken would make it \$21.50pp. Everyone would take both meats. If you have a plated meal and are going on an RSVP response by menu item, we will price each item to what the headcount is for that item.

Three Entrée Meals are also available if you want to have a third item. We can either charge the extra pricing and all of your guests would be able to take all of the menu with no choice needed, OR, we can have them RSVP back with their meal selection and they will get to take the one menu item chosen so that you will only be charged for what each total for that menu item is. For example: chicken, steak, and salmon. Your guests can rsvp back, and we would charge the 15.50 for the chicken, 18.50 for the salmon, and 20.50 for the sirloin based on your totals for each of the items.

Plated Meals are \$5 per person extra. We would build your timeline to make sure we delivered salads, dinner, and if the cake is already cut or there is sheet cake to pre-cut, we will deliver the cake or dessert as well. Otherwise cake or dessert can be put out on the dessert table for the guests to grab at will. Plated meals do require extra staff.

Partial plated service is \$2 per person extra. It would consist of adding on tabletop items such as salt and pepper, roll baskets, butter dishes, dressing decanters and any other items needed for the salad and rolls to be brought out prior to dinner. Partial plated meals do require extra staff.

Family Style served dinners are \$3 extra per person. This is where we serve the entire menu in their large dish for the table to share. So, each item would be brought out and the guests would pass it around amongst the table. This does require additional charges for the serving dishes, serving tongs/spoons, and additional staff is needed.

China is available with our full line of rentals. We offer many different styles and colors to match your theme. We are happy to give you a custom quote to make sure you know exactly what you are getting. Table set up and napkin fold can be discussed in the table set up part of the planning process. We can also assist in water service if needed instead of a water station with a dispenser.

Premium Plastic Dinnerware is available at \$2 person, and you may pick most any color offered on amazon. Some styles will add additional cost, but those can be figured out by a quote on your order. We do not try to upcharge plastic dinnerware, it is more of a convenience factor so you don't have to bring it, but you certainly may. Whether we provide it or not, we will still service everything for you!

Staffing

Staffing is one of the things we take great pride in when you book with us. We show up on the job early based on the timeline and the extent of service needed. We unload, set up all of the guest tables, set and display the desserts or any added catering needs, set up the buffet line, bus tables throughout the food portions, any table flips of apps or dinner to obtain more space for cake if needed, we service all dessert needs, box up all leftovers and leave in the kitchen area for you, clean up all kitchen area, sweep, mop, wash all counters and used spaces, dry sinks, and take out kitchen trash. By the time we finally leave, the only thing left on the tables is what you and your guests are drinking from at the bar. If you do real China, additional charges may incur for length of time on the job and servicing fee. Our captain's charge is \$30 per hour and the server fee is \$25 per hour.

Self-Served Buffet: this is the most popular and common. This usually requires 3-4 staff depending on your headcount and allows the guests to go down both sides of the buffet and serve themselves. If we see they are taking more than they should, we will step in and serve that item. Much smaller events usually only need one staff attending.

Staff Served Buffet: Includes staff to serve your guests as they come through the buffet line allowing only the staff to touch the serving utensils. This type of service requires a minimum of 5 staff to take care of the food items on the buffet unless it is a smaller headcount.

Partial Sit-Down Service: Includes pre-setting salads & dressings and rolls & butter to the guest tables. This service is available at an additional price of \$2.00 per guest.

Plated & Served Dinner Service: includes pre-setting salads & dressings and rolls & butter to the guest tables with the dinner being plated and served to the guests. This service is available at an additional price of \$5.00 per guest. Additional fees may incur for table items.

Family Style Dinner Service: includes pre-setting salads & dressings and rolls & butter to the guest tables with the dinner being served in dishes to each table. Entrees can either be plated and served to the guests or accompanied on a large platter like the rest of the meal. This service is available at an additional price of \$3.00 per guest. Additional fees may incur for table items.
